

# John Hayes O'Neill Studio of Dance

October 15, 2017

Dear Principal:

The Magic of this holiday season will once again be offered to area students with performances of the classic "NUTCRACKER BALLET".

Stephen & Canan Jackson of The John Hayes O'Neill Studio of Dance in Rome are presenting the holiday performances with a cast of 170 local and area dancers and performers.

As part of our ongoing commitment of making Dance available to children and students, we are offering two school Matinees at the Capitol Theatre in Rome, New York on Wednesday and Friday December 6<sup>th</sup> & 8<sup>th</sup> at 10:00 am. Admission is \$5.00 per student.

*In the event of a snow day cancellation, the performance will be rescheduled to Monday Dec 11<sup>th</sup> at 10 am*

We have offered this multifaceted opportunity for the past thirty years with great success. The students have enjoyed themselves immensely. They can immerse themselves in the production completely, thus they are entertained and most importantly learn about the Art of Dance. Since these students will become our future arts audience it is imperative that they be exposed to different art forms so that we may develop and nurture an intelligent, supportive and enthusiastic audience.

We have a dual purpose in that we must support and recognize the talents of the young aspiring professionals and at the same time educate our young audience, so they know what they are seeing and what to look for from dance performances and other theater experiences.

This year we are again offering a tool for classroom teachers in our "NUTCRACKER STUDY GUIDE". Our guide directly links the experience of attending the performance to the New York State Standards. You can view the guide at the following link online at [www.jhodance.com/teacher.html](http://www.jhodance.com/teacher.html)

So, at this time we are asking your support by informing your classroom teachers with the enclosed notices and reservation forms.

We would also like to extend to you an invitation to personally attend one of the performances, so you can see first hand how important this is for all involved. Please call me directly for seating arrangements.

If you have any questions or need further information, please do not hesitate to contact me at 315-337-2920 or 315-271-9249 or email at [stephen@jhodance.com](mailto:stephen@jhodance.com)

Thank you for your time and continued support.

Sincerely,  
Stephen J. Jackson
